Dear Dromintee Primary School,

Thank you for taking part in Number Day 2021. We are so very grateful for your support and generosity, especially in such a difficult year for everyone. Your incredibly kind donation of **£500.00** will make a huge difference to the lives of children and young people across the UK.

It will help us to provide our essential services to protect children and prevent abuse.

Through **Childline** we give children a voice and are here to support them through life's challenges and protect them from dangerous situations.

Our **NSPCC helpline** exists to support adults with any worry or question about a child. And we can intervene and help children who might be at risk from harm.

We rally together with our supporters to make sure the government is making **policy decisions** with children at the heart of them.

Through our **Schools Service** we're reaching children with our Speak out. Stay safe. assemblies, teaching them to spot the signs of abuse and helping them understand who they can turn to for help if they need it.

We empower parents through campaigns like **Talk PANTS**, information and tools on topics like **online safety**, and lots more.

Our network of **service centres** across the UK deliver vital services for families, and provide **intensive therapeutic services** to children who have been abused or need our support.

Your schools' support is helping change the lives of children and families across the UK, thank you for giving them the support they desperately need.

Thank you to everyone involved in making our work possible. To find out more about our work and resources for teachers and parents, you can visit nspcc.org.uk/schools.

Kind Regards

Karen Walker
Head of Schools Service
